FrenchCreek Production, Inc. Announces Release of NEW 2009 Fall Protection Catalog

October 20, 2008 - Franklin, PA- FrenchCreek Production, a custom manufacturer of quality Fall Protection & Rescue/Recovery Systems, announces the upcoming release of its NEW 2009 product catalog. The catalog should be available by October of 2008.

"This catalog is undoubtedly the best and biggest FrenchCreek catalog to date!" explains Jason Wible, President of FCP. "Our Engineering Department has introduced many new products for 2009 which has expanded the catalog by 8 pages, while our Marketing Department has developed a new design philosophy that incorporates expansive full-page product layouts to highlight product features! We believe our customers will appreciate its ease of use, informative nature, and contemporary appeal."

The 2009 Catalog stresses the fact that FrenchCreek Production is a Custom Manufacturer of fall protection, confined space, and rescue recovery products, willing to customize products to the needs and demands of the user! The catalog contains FrenchCreek's standard-line product numbers and descriptions, along with a host of full color photos and NEW product designations. It is formatted with major category headings, including: Full Body Harnesses, Saddles & Seats, Harness Accessories/Options, Roofing Kits, Lanyards, Rebar Assemblies, Lifelines/Rope, Retractable Lifelines, Rope Grabs, Horizontal Lifelines, Hardware, Anchors/Anchorage Connectors, Ladder Systems, Rescue/Recovery Systems, and Bags. The major category headings also contain sub-headings to further simplify your search, while sections illustrating the necessary components of a fall arrest system, and OSHA and ANSI Standards are also included.

The total print count for the 2009 catalog has more than doubled from the previous year, which will ensure greater distribution and higher exposure for FCP and FCP products.

For added convenience, the catalog is available for download at the following link: <http://www.frenchcreekproduction.com/2009Catalog.pdf>. FCP will also be launching a brand new website, soon after the release of the printed 2009 Catalog and undoubtedly, prior to the beginning of 2009 – so please check back often at www.frenchcreekproduction.com. Not only will the new site be up-to-date with FCP's product line, but it will also become more dynamic and user friendly, allowing you to find the items you need quickly and accurately without confusion or prolonged searching.

Catalog requests can be made by calling Toll Free 877.228.9327 or by emailing fcpmarketing@velocity.net.
